

## 5th Sunday of Lent • April 6, 2025 • Tri-Parish Bulletin

"Then Jesus straightened up and said to her, "Woman, where are they? Has no one condemned you?" She replied, "No one, sir." Then Jesus said, "Neither do I condemn you. Go, and from now on do not sin any more." *Jn 8:10-11*

### Fifth Sunday of Lent

"The scribes and the Pharisees brought a woman who had been caught in adultery and made her stand in the middle" (John 8:3). Why do they make her stand in the middle? Why not expose her on the periphery? The reason is something that affects us practically every day. The center is what stabilizes a community's identity. We humans tend to center ourselves around an accused and condemned victim — though we rarely admit it. This renews our fragile communities and our power as those who weaponize the accusation.

This is effective because it is often a victim who represents something truly dangerous for the group. In this case, adultery stands for the breakdown of a community and those within it, because it forces questions like: who is my father? Whose child is this? Is this child one of us, or that of an outsider? The accusers place the adulteress in the center because their community, like most, is built around turning an enemy into a victim.

Once you understand this, you'll see it almost anywhere humans group together (families, politics, workplaces, sports, schools, etc.). The good news is Jesus exposes this dynamic by deftly pointing out the sin-infected hearts of everyone besides the woman. They all leave, symbolizing the breakdown of the old order, and she is "left alone before him."

A new community has begun, structured around the merciful love of Christ. What is in your center? What is in the center of our parish and family communities? Strive to center on Christ's forgiveness, and we experience the new, lasting community we call the Church.
